2. About EIT Digital

EIT Digital is a Knowledge and Innovation Community (KIC) of the European Institute of Innovation and Technology (EIT), co-funded by EU.

EIT Digital believes in making and shaping a competitive digital Europe that is inclusive, fair and sustainable, and it aims at global impact through European innovation fueled by entrepreneurial talent and digital technology.

EIT Digital embodies the future of innovation by mobilizing a pan-European multi-stakeholder, open innovation ecosystem of top European corporations, SMEs, start-ups, universities, and research institutes, where students, researchers, engineers, business developers and investors address the technology, talent, skills, business, and capital needs of digital entrepreneurship.

EIT Digital builds the next generation of digital ventures, digital products and services, and breeds digital entrepreneurial talent, helping business and entrepreneurs to be at the frontier of digital innovation by providing them with technology, talent, and growth support.

3. EIT Digital Master School

Education is one of the pillars of EIT Digital. The EIT Digital Master School aims at delivering T-shaped innovators with an entrepreneurial mindset delivering talent to the digital labor market that either will be co-creators of ventures or will enter industry. In 2025, a Master School kick-off event will be held at Bari, Italy.

During this event, around 250-300 students are required to attend the kick-off event.

4. Scope of the RFQ

EIT Digital seeks a service provider to manage the associated accommodation arrangements related to the EIT Digital Master School for the kick-off event in Bari from 2nd to 3rd October 2025. The estimated number of guests is estimated to be 250-300 persons.

EIT Digital will provide a detailed itinerary of student data in September to facilitate the booking, but the number of nights per student might change according to the travel schedule per single student.

Supplier is expected to provide an option to permit EIT Digital to recoup maximum funds should an attendee opt to cancel. EIT Digital will inform Supplier of any change at the earliest opportunity.

Supplier is requested to outline their proposal to provide the bookings with a best value for money proposition outlining their estimate including any additional service costs and commission fees.

Additionally, Supplier is expected to provide a general report (ref. 4.4) to EIT Digital including guest details and associated costs for potential audit purposes.

4.1. Master School 2025: Tentative Travel Timeline

14th August 2025 - Students will be asked to formally enrol through a web form and to specify their travel itinerary.

01st September 2025 (Tentative, TBC) - The contracted agency will be provided with a detailed list of dates and data of guests, to be managed according to GDPR regulations.

31st October 2025 - A final report must be sent to EIT Digital.

4.2. Accommodation:

For the purpose of this Agreement, all participants involved in this Master Schools event shall be accommodated in a single venue (preferred option). If this is not possible, a combination of more venues will be taken into consideration (unpreferred option).

The preferred accommodation will also be the one closest to the Polytechnic of Bari (located at street Edoardo Orabona, 4 – 70125, Bari (BA)) in order to avoid additional transportation and logistical costs.

4.3. Destination:

The following table outlines the arrival city and territory in scope. It is estimated that 250-300 students shall be accommodated at this destination.

EIT Digital IVZW is not obligated to award the Assignment. EIT Digital IVZW is at all times permitted to end this procurement procedure and to start a new process whenever and however desired. In addition to this, EIT Digital IVZW reserves the right to suspend or cancel the Agreement, where the procurement procedure proves to have been subject to substantial errors, irregularities or fraud. If substantial errors, irregularities or fraud are discovered after the award of the Agreement, EIT Digital IVZW may refrain from concluding the Agreement. In the event of cancellation of the proposal procedure, EIT Digital IVZW will notify Supplier of the cancellation.

Supplier shall take all measures to prevent any situation where the impartial and objective implementation of the Agreement is compromised for reasons involving economic interest, political or national affinity, family or emotional ties or any other shared interest ('conflict of interests').

Supplier should inform EIT Digital IVZW immediately if there is any change in the above circumstances at any stage during the implementation of the tasks.

EIT Digital IVZW will not compensate any costs incurred by Supplier relating to this procurement procedure. EIT Digital IVZW has no intention of completing this procedure unsuccessfully. However, if situations arise that result in the decision to terminate the procurement procedure in whole or in part, temporarily or completely, and / or not to award the Assignment before or after receiving the Offer, Supplier is not entitled to compensation of any kind whatsoever. In no event shall EIT Digital IVZW be liable for any damages or whatsoever including, without limitation, damages for loss of profits, in any way connected with this procurement procedure, even if EIT Digital IVZW has been advised of the possibility of damages.

8.2. Communication During Procedure

During this proposal request it is prohibited to communicate with any other employee or otherwise to EIT Digital IVZW related person regarding this opportunity other than the EIT Digital Procurement Manager.

Whenever Supplier thinks the pricelist and/or this Tender misses any components that would be considered vital to fulfil any potential Assignment, we expect Supplier to inform EIT Digital IVZW.

Responses should be concise and clear. The Offer will be incorporated into any Agreement that results from this procedure. Supplier is cautioned not to make claims or statements that it is not prepared to commit to contractually.

Supplier represents that the individual submitting the Legal entities proposal, is duly authorized to bind its entity to the Offer as submitted. Supplier also affirms that it has read the Tender and has the experience, skills and resources to perform, according to conditions set forth in this Tender and the Offer. Supplier must be represented by its Legal representative who has to sign the legally signed Offer letter, that should be added as part of the Offer.

8.3. Ownership and Confidentiality

Supplier may use the information that EIT Digital IVZW provides regarding this Tender only for the purpose for which it was provided: (possible) participation in the Tender.

Supplier is obligated to treat the information EIT Digital IVZW provides with regard to this Tender in a confidential matter. Supplier will also impose this obligation upon Third parties with whom the Supplier wishes to fulfil the requirements and / or the Assignment. This confidentiality will remain in effect during four years after the procurement procedure has ended.

EIT Digital IVZW retains ownership of all Offers received under this procurement procedure. Offers will not be returned nor deleted at the end of the procurement procedure. Proprietary information identified as such, which is submitted by Supplier with regards to this procurement, will be kept confidential.

All material and content created or procured during the assignment are property of EIT Digital and are to be delivered to EIT Digital within the agreed timeframe after the Full Assignment sign-off. The sign-off will be confirmed to the Supplier by an email from EIT Digital Procurement Manager. EIT Digital has the full copyright to all videos created in the Assignment.

EIT Digital IVZW has the right - without notification - to share the Offer and the Agreement to internal audit services from EIT, to the European Court of Auditors, to the Financial Irregularities Panel and/or to the European Anti-Fraud Office. This right remains in effect during the implementation of the Agreement and for four years after the completion of the Assignment. EIT Digital IVZW is allowed to do so for the purposes of safeguarding the EU's financial interests.

Publicity or advertising relating to, following, or by reference to this Assignment by or on behalf of the Supplier, on or after the procurement procedure is only permitted upon prior written consent of EIT DIGITAL IVZW.

Oral notices, commitments or agreements have no legal power. All relevant information will be digitally provided in the documents.

All data exchange, work and correspondence during the procurement procedure and the performance of the Assignment will be in English or another language, the supplier and EIT Digital IVZW choose to use for communication.

By submitting the Offer, Supplier fully and unconditionally agrees with the requirements and terms set out in the Tender document. Submitting the Offer differently than described in this section will not be accepted.

The Offer needs to be submitted before the closing date and time specified in the Timeframe.

EIT Digital IVZW reserves the right to check all submitted data without further permission of the Supplier and if necessary, by accessing the specified reference persons.

Kindest regards,

Riccardo Cunico
